

Amandesa

Treat yourself to the ultimate retreat

About us

Community Housing Limited (CHL) Group invites you to come unwind at Amandesa, a tropical oasis where you can truly relax and recharge, surrounded by rustling palms and landscaped gardens while lounging by the pool.

In 2016, it was estimated that over 90,000 Australian retirees are living overseas. Bali is one of the most popular destinations.

As Australia's largest community housing provider, we create innovative and diverse housing options for Australians on lower incomes. That is why we are pleased to be able to offer this housing option to you.

A first of its kind, Amandesa is a self-supporting community complex for older Australians on low to moderate incomes with the desire to retire in Bali. Nestled in the coastal town of Sanur, east of Denpasar Bali, is our 9-unit complex. Unlike Kuta and Legian, Sanur comes without the hustle and bustle. You can listen to a soundtrack of gently lapping waves. It also has a plethora of restaurants, cafes and shops making for a more authentic, traditional and tranquil experience.
